Electives

Any college level credit bearing course can be used to meet Elective credit requirements.

Health and Wellness Requirement

All students, regardless of their interest, age, gender, ability, or disability can benefit from participation in Health and Wellness courses. The College promotes this belief through the variety of courses designed to meet the needs of all students. Students seeking an adaptive physical education experience, for medical or physical reasons, may register for PED 176, Designs of Living Well. Enrollment is by Registrar approval.
