

Center for Student Success (Advising)

Located in Warren Hall, the Center for Student Success (Advising Center) provides academic advising, placement testing, and career planning services that empower all members of our diverse student body and improves students' education, career and personal goal completion. This office provides standardized placement testing in Math and English for entering and continuing students. Student Success Advisors in this office are available throughout the year to help students with academic, career and transfer planning including course selection, degree management and establishing career goals. This office coordinates the matriculation process, Early Alert, Academic Alert, Midterm Outreach, advising technologies, advising communications and advisement training. This office serves as the primary student resource for Priority Registration, Change of Major, Withdrawal from a class, Graduation Application, and Add/Drop.

Academic Advising

The Advising program at SUNY Adirondack encourages students' academic, career and transfer

planning through an inclusive and supportive environment. The Advising program provides students

with accurate information and resources so that students may navigate matriculation into college

and their college experience appropriately with the ultimate goal of a college degree. The Advising

program promotes personal responsibility in guiding students to achieve their goals, understand the

relevance of higher education and value academic success. The Advising program utilizes both

technology and mutually respectful personal relationships to assist students with appropriate

educational planning. The Advising program fosters continuous improvement through advisor

education, evaluation of students' needs and program assessment.

At SUNY Adirondack, all full-time enrolled students are assigned an academic advisor based on their major. This advisor serves as a guide to educational and career planning, and a resource in their pathway to success here at SUNY Adirondack. Students can view their advisor's name in Degree Works or in Self-Service Banner. Students can take advantage of advising services in the Center for Student Success in Warren Hall as well as other opportunities on both the main and Wilton campuses.

Career Planning

Career Planning services available to students in this office include:

- Individual career counseling.
- Career Coach
- Career assessment inventories including the Strong Interest Inventory and Myers-Briggs Type Indicator
