

Veterans

SUNY Adirondack welcomes Veterans and active military and their families! We want to ensure that

Veteran students have access to resources and information to help them succeed. We do that in a

couple of ways. We have a Full-Service Veterans Benefits Advisor who can assist with a wide-range

of Veteran Services and advise students of their educational benefits. We also have a Director of

Community Connections who manages the Randles Veteran Resource Center, supervises the Veteran

Work Study Program, and advises the Veterans Club.
