Notes on Pre- Music

Pre-Music students should register under the Liberal Arts AA degree program and, over the course of the two semesters, take a range of 9-12 General Education credits that apply to both the Liberal Arts AA degree and the AS degree program in Music.

The credited music classes listed in Pre-Music count in the Liberal Arts AA program as electives, and will, therefore, count toward the 12-credit minimum in the major to maintain eligibility for Financial Aid.
