

Computer Science AS (CMPS)

Catalog: 2014 - 2015

Effective Date: 9/01/2014

CR COURSE		SEMESTER							
		CA#	TR						
1-4	HRD 100A, 100 or 110								
3	ENG 101 or ENG 100A & B								
3	SUNY GEN ED Basic Communication Course (Choose from : ENG 102-110)								
4	MAT 131 (Prereq Required)								
3-4	SUNY GEN ED Natural Science Lab Course (PHY 111 or EGR 105 recommended)								
3	MATH or SCIENCE COURSE (MAT 132 recommended)								
2	HEALTH AND WELLNESS-PED activity credit, AVS 101, AVS 102, BIO 114, BIO 115, HED 103, HED 104, HED 108, SCI 161 (Note: PED 105, 106, 206, 210, 211, and 212 do not fulfill this requirement)								
3	WESTERN CIVILIZATION Choose one from: HIS 100,101 or 102								
3	AMERICAN HISTORY Choose one from: HIS 103 or HIS 104								
3	SUNY GEN ED Social Science (ANT, PSY or SOC)								
3	SUNY GEN ED The Arts, Foreign Language or Humanities								
3	Liberal Arts Elective								
3	Liberal Arts Elective								
3	CIS 143 (Prereq Required)								
3	CIS 144 (Prereq Required.)								
3	CIS 150 (Prereq Required)								
4	CIS 243 (Prereq Required)								
3	CIS 244 (Prereq Required) (Spring Only)								
3	MAT 129								
3-4	Choose one course from the following: CIS 131,151,222,237, MAT 132 or 231, 220, 223 (Fall Only)								
3	Elective								
3	Elective								
65	Minimum credits required for graduation								65+

Computer Science AS Degree Tips Sheet

The CS AS degree is designed to provide the first two years of a rigorous four year program in Computer Science. Students who are interested in a two year career training program should consider the IT AAS or IT-Networking AAS degrees instead.

- Prerequisites for all required Math courses and Computer Science courses are enforced.
- A student that enters the program without the necessary math prerequisite (MAT 108 or appropriate placement test score) needs to take the necessary math prerequisite before they consider taking CIS 143 (the 1st course in a four course (semester) sequence). These students should be encouraged to take CIS122 (can be used in the degree sheet as a free elective) while they are catching up on their math prerequisites.
- The CS degree requires math up through Calc I (MAT 131) but most transfer schools require up through at least Calc II and some require up through Calc III. CS majors should check as soon as possible with their transfer school about their Calculus requirement. RPI transfers need to take up through Calc III which will transfer into RPI as two calculus courses and meet their calculus requirement. **It is highly recommended that students complete their Calculus requirement at SUNY Adirondack rather than doing some of it here and the remainder at their transfer institution.**
- Many CS programs at transfer schools require two semesters of Physics. Students should check with their transfer schools. RPI transfers should take EGR 105 and EGR 106 to satisfy RPI's physics requirement.
- CIS 243 is the most rigorous course in the CS major. Since the assignments in that course require **LARGE** amounts of time, when registering for 243, students should plan their schedules with that in mind.
- The prerequisite for CIS244 is CIS 243 or permission of the instructor. Since this course is a spring only course, some students may find themselves taking CIS243 (the 3rd course in a sequence of 4) in the spring and then needing to wait until the following spring to take CIS244 (the 4th course in the sequence). To take both courses in the same spring semester, students must get permission from the 244 instructor, which is typically granted as long as the student has received at least a B in CIS 144. A student that falls into that category should also have taken CIS150 before the semester that he/she is forced to take 243 and 244 together.

Notes on Computer Science AS (CMPS)

- ❖ **Financial Aid Recipients:** You **must** choose courses that are within your degree program. Visit the Advisement and Career Services Center in Warren Hall if you have any questions about course selection and degree program requirements. Please see Office of Financial Aid for any aid-related questions.

Prerequisites for:

CIS 131 - Familiarity with PC/Windows or CIS 111	CIS 243 - CIS 144(with grade C or better) & MAT 129
CIS 143 - MAT 108 or appropriate placement score or CIS 122	CIS 244 - CIS 243 (or CIS 144 and permission of instructor)
CIS 144 - CIS 143 with grade C or better	MAT 131 - MAT 121 & MAT 125(with grade C or better) or appropriate placement score
CIS 150 - CIS 143	MAT 129 - MAT 108 with grade C or better
CIS 151 - CIS 143 or CIS 122	MAT 132 - MAT 131 with grade C or better
CIS 222 - CIS 144	MAT 220 - MAT 131 with grade C or better
CIS 237 - CIS 144	MAT 223 - MAT 121 with grade C or better
	MAT 231 - MAT 132 with grade C or better

Definition of Terms

See <http://catalog.sunyacc.edu/academics/degreerequirements>

RECOMMENDED SEQUENCES

FIRST YEAR

First Semester

1-4	HRD 100A, 100, or 110
3	ENG 101 or 100A & B
3	MAT 129
3	CIS 143
3	SUNY GEN ED Social Science (ANT, PSY, SOC)
3	Liberal Arts Elective
1	Health and Wellness

Second Semester

3	ENG 102 - 110
3	Liberal Arts Elective
3	CIS 144
3	CIS 150
3	HIS 100, 101 or 102
1	Health and Wellness

SECOND YEAR

Third Semester

4	CIS 243
4	MAT 131
3-4	Lab Science Course (EGR 105 or PHY 111)
3	SUNY GEN ED The Arts, Foreign Language or Humanities
3	HIS 103 or HIS 104

Fourth Semester

3	CIS 244
3	CIS or MAT Elective
3	Math or Science (MAT 132 recommended)
6	Electives

Additional Information:

Recommended Free Electives: Any course from the above group listed under “Choose one course from the following:” or Intro to Internet Development (CIS 122)

SUNY General Education Knowledge Areas: (See <http://catalog.sunyacc.edu/academics/generaleducation>)

- Mathematics
- Natural Sciences
- Social Sciences
- American History
- Western Civilization
- Other World Civilization
- Humanities
- The Arts
- Foreign Languages
- Basic Communication
