- NOTES:**
- BUS 144 is required for this program however BUS 146 may be used as a substitute for those intending to pursue a four year business related degree given BUS 146 transferability into 4-year business programs.
 - The 6 credits of BUS 178 Business Internship shall be taken over two semesters. BUS 285, Disney World Internship, is a 6 credit course taken in one semester.
 - Students who wish to attend full-time while participating in the Disney World internship (BUS 285) have a choice of taking SUNY ADK online courses and/or traditional classroom courses at Disney (BUS 102, BUS 103 and BUS 141) which requires registering for a special section of SUNY ADK courses in addition to the 6 credit internship. Planning is essential for this internship – please see the Disney Coordinator as soon as possible for advisement.
 - While this program fulfills the SUNY Hospitality Management transfer path requirements for business and hospitality courses, it does not meet the 30 credits of General Education requirements which are normally completing in the first two years of study. The Business Administration AS program would meet all of the SUNY transfer path requirements for Hospitality Management including GEN ED requirements with the selection of BUS193 and BUS265 as general electives. Those students interested in transferring to a 4-year institution should seek advisement for selection of program of study and courses.
