

Grant Programs: County

Employment and Training Grants

- *Who is eligible:* Some unemployed and underemployed individuals who need college course work to train them to enter the workforce.
- *How award is determined:* The local Employment and Training Programs Office in your county determines the student's need for funding tuition, fees, books, transportation, and dependent care (if applicable).
- *How and when to apply:* Contact your county's local office. Students are required to apply for federal and state funding which may be used to offset grant funding from Employment and Training.
