

## Veterans

SUNY Adirondack welcomes veterans, guard members, reservists, active military, and their families!

We want to ensure that military-affiliated students have access to resources and information to help

them succeed. We have an Adult Learner Coordinator who manages the Randles Veteran Resource

Center, supervises the Veteran Work Study Program, and advises the Veterans Club.

Military-affiliated students can receive in-state tuition by providing a current military ID, a current VA

ID, or a copy of their DD-214.

Additionally, veterans and service members are allowed to transfer in up to 44 previous credits that

are a C letter grade or higher and from an accredited institution.

Please visit <http://www.sunyacc.edu/studentlife/services/veterans> [1] for more information regarding SUNY Adirondack's Veteran Services.
