

## **Randles Veteran Resource Center**

Located in the Student Center, the Randles Veteran Resource Center provides military students with study and recreation space, while providing a setting to meet and socialize with other veterans and service members. It also serves as an information hub where students can access veteran-specific materials relating to campus resources, VA benefits, community-based veterans organizations, and upcoming campus and community veterans events. The center is equipped with computers, printer, television, refrigerator, microwave, and a coffee maker for military students' use.
